## Christmas Hints!

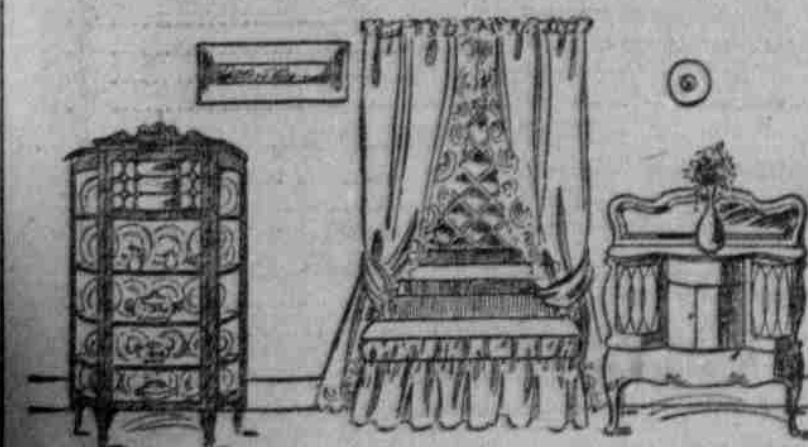

Here they are! **Easy Chairs, Platform Rockers and Floor Rockers.** If you should ask him, your husband would tell you an Easy Chair is the one piece of furniture that gives him the greatest pleasure after his day's work. Christmas should gratify his wishes.

Your wife runs the household—or at least she should. Why not give her something to do it with? What would be better than a **Ladies' Desk** to keep her accounts in and to carry on her correspondence with? Today the many duties of the house require this. We have the Desks.

Christmas time is a great period for selling **Office Furniture.** It has become a habit with business men to present themselves with new Desks, Chairs, Tables, Book Cases, Coat Racks, Mirrors, etc., and many times womenfolk give these articles to their husbands as the most appropriate gifts. We can supply you with goods in this line.

How are these for gifts? A handsome **Buffet** or a pretty **China Closet** for that dining room that looks a trifle bare. Would it not be quite the proper thing? The housewife could show her cut glass and china then. Many other suitable gifts are represented in our immense stock of goods that cannot be mentioned here. We merely ask you to come in, look around and get more of these suggestions.

**WE STAND FOR LOW PRICES AND WE ARE GOING TO REMAIN THERE WITH BOTH FEET, AND OUR FURNITURE STANDS FOR ALL THAT IS GOOD AND REASONABLE.**

Let us say here that we will store all gifts and guarantee to deliver in good condition and on time any articles selected for Christmas. Don't put off your purchases until the last minute. Come when our stock is complete.
